Sir,

With reference to Government Notification No L 81/Rl 33-32-109 dated 4th July 1933 authorising me to hear objections under section 5A of the Land Acquisition Regulation in respect of the marginally noted properties required for laying out an extension to relieve congestion in the City, I have the honour to state that on 12-8-1933 a petition dated 11th August 1933 was received by registered post from one Mr M A Sreenivasa Chari, Executive Engineer, Bangalore Division wherein he objected to the proposed acquisition of his property for reasons stated in his letter dated 31st March 1933 in which he has stated that he entered into an agreement with one Ramalamma owner of a portion of survey No 5/1 of Cuttahally village, Bangalore City to purchase the same, one of the conditions precedent to the completion of the agreement being that she would obtain a license for the construction of a bungalow on the site He therefore requested that the property may not be acquired The party refers to the first property in the Gazette notification The land is needed for a public purpose and the condition referred to is an illegal one not binding upon the party I sent for copies of the agreements referred to and I find Mr Srinivasa Chari has not yet acquired any interest in the property

On 12-8-1933 one [illegible] V Pudappa another Mr P.J Basappa filed petitions to the effect that they have

L 2293

have converted their survey lands in question into building sites (as per Amildar's endorsement No S F 13 of 31-32 dated 20th June 1933), that their lands should therefore be accuired as building sites, that the second and third properties belong to them and their brothers and Mr S Veerabhadrappa, that the have no objection to acquire a portion of the third property at the rate of not less than Rs 3/- per square yard They requested that permission may be granted to them to divide into house sites or bungalow sites in accordance with the plan acceptable to the Municipality These objections cannot be considered in view of the fact that the were received after the expiry of 30 days after the issue of the notification in the Mysore Gazette

The cost of acquisition amounting to Rs 7130/- excluding statutory allowance at 15% will be met out of the loan of one Lakh of rupees sanctioned by the Government in their Order No L 6833/ML 250-32-2 dated 20th April 1933 for acquisition of lands for building sites

The final declaration statements in duplicate in Kannada and English are herewith enclosed, for favour of publication

I request that sanction of Government to the acquisition may kindly be obtained and communicated to this office for further action on

I have the honour to be,

Sir,

Your most obedient servant,

Municipal Commissioner
